Mission Statement

The Lexington Park District exists to maintain and enhance the quality of life for all citizens of Lexington by providing park, recreation, and leisure opportunities through organized programs and acquiring, developing, maintaining, preserving, and enhancing recreation areas, open spaces, and facilities in the most cost-efficient manner.

Statement of Purpose

The purpose of the Lexington Park District Field Reservation/ Allocation and Use Policy is to provide facilities for the use and enjoyment of the residents of Lexington. It is the goal of the Lexington Park District to make parks and recreation facilities available for use by organizations for non-profit recreational purposes. This policy serves to create a standardized approach to space allocation and fee assessment for users and to ensure that the allocation of facilities is fair and equitable.

Youth Sport Program Philosophy

The Lexington Park District offers many organized youth sport programs and activities. We follow a specific philosophy which guides us in program development and implementation. It is as follows: *Athletes First* - *Winning Second*. *This philosophy means that every action taken should be based first on what is best for young athletes, and second on what may improve the athlete's or team's chances of winning. In other words, the short-term objective of winning should never override the long-term participation objectives of helping young athletes develop physically, psychologically, and socially.* The objectives we strive to achieve in following this philosophy are:

- To provide safe, enjoyable recreation programs which teach the youth of our community basic sport skills, sportsmanship & team work.
- To encourage life long interest in physical fitness through positive sport experiences.
- To ensure that everyone who registers for youth sport programs participate equally, no matter what their ability level may be.

Reservation Procedures

Organizations interested in reserving a park facility must complete a Field Reservation Request form at the home of the Lexington Park District President.

Requests will be classified and handled on an availability basis with the following priorities:

- Category A: Programs and activities of Lexington Park District will receive priority use of any and all facilities.
- Category B: Programs and activities sponsored by Lexington Community District 7 Schools.
- Category C: Lexington -based, non-profit recreational youth sport organizations which follow the same sport philosophy as the Lexington Park District, show documentation thereof, and encourage all coaches and parents to attend educational/training sessions.
- Category D: Other Lexington-based, non-profit organizations, including but not limited to youth and/or adult athletic leagues, scouts, church groups, service clubs, civic associations, traveling teams, etc.
- Category E: Individual team or team not affiliated with a governing organization or board.
